PACKAGING

REGENT, your cosmetic packaging partner. We offer Innovative, Stylish and Customizable cosmetic packaging solution for our clients with competitive pricing and reliable quality.

We have full Support from our Biggest Glass Factory in China – Guangdong Huaxing Glass and Lee Kee Packaging who have been this market for more than 10 years.

COMPANY PROFILE

Our Product from Glass Bottle and Jar to Extra Thick PET, Double Layers PET and PET Bottle & Jar.

We have over 450 collections in our product not included these customize designs and we also develop these components like Pump, Cover, Lid and Dropper to match each design. Our product is suitable for Lotion, Cream, Toner and Serum, etc.

We also experts in the processing production such as Coating, Plating, UV Coating, Silk Screen Printing, Hot Stamping, Water Transfer Printing and many more.

Our Products are supplying not only local market but also export to worldwide county likes Europe, American, Indonesia, Thailand, Malaysia, Japan, Taiwan and etc.

With all the experiences, we will definitely promise our clients a more appealing product packaging solution that we believe it will lead our clients branding to premium level.

“As your success is our success”

We hope you will be our next success.
